Any objection to the Order must be made in writing to the Secretary of State for Business, Energy & Industrial Strategy at 1 Victoria Street, London SW1H 0ET before 2 August 2019 and should state the title of the Order, the grounds of the objection and the objector’s address and interests in the land.

DESCRIPTION OF THE NEW RIGHTS

Rights associated with the construction and operation of a tunnel and electricity cables project. These rights cover the rights required for all construction related activity associated with the project, including (but not limited to) access, all construction-related activities, laying and moving services, airspace rights and fencing and hoarding. There are also rights for access during the operational phase in locations where there is to be an above ground installation. These rights are labelled as “Construction Compound Rights”, “Construction Access Rights”, “Operational Access Rights”, “Lyndon Yard Crane Rights” and “Tunnel and Cable Rights” in the Order and Schedule, each of which is defined in detail at paragraph 5 of the Order.
