

LONDON BOROUGH OF LAMBETH
PROPOSED CHANGES TO THE ONE-WAY TRAFFIC
SYSTEM IN GLENCAIRN ROAD

[NOTE: This notice is about proposals to extend the existing one-way system for vehicles (except pedal cycles) in Glencairn Road so that it applies to the whole road. Objections or other comments may be made – see paragraph 6.]

1. NOTICE IS HEREBY GIVEN that the Council of the London Borough of Lambeth proposes to make the Lambeth (Prescribed Routes) (No. -) Order 201- under section 6 of the Road Traffic Regulation Act 1984.

2. The general effect of the Order would be to extend the existing one-way system in Glencairn Road, between Ellison Road and No. 11 Glencairn Road, so that it applies to the whole length of Glencairn Road, in a direction from west to east (towards Streatham High Road).

3. The proposed Order is required to improve the operation of the existing one-way system in Glencairn Road, introduced as part of the wider Our Streets Streatham South programme of works, delivering a package of environmental and public realm improvements. This would improve road safety, especially for pedestrians and cyclists and improve the amenity of the area.

4. If you have any enquiries, please telephone the Council's Capital Programmes Team on 020 7926 1241 or email: JBrennan2@lambeth.gov.uk

5. A copy of the proposed Order and other documents giving detailed particulars are available for inspection between 9.30 am and 4.30 pm on Mondays to Fridays inclusive (except on bank/public holidays), until the last day of a period of six weeks beginning with the date on which the Orders are made or, as the case may be, the Council decides not to make the Orders, at: the offices of Lambeth Council's Highways and Enforcement Group (Environment and Growth), 3rd Floor, Civic Centre, 6 Brixton Hill, London SW2 1EG. To arrange inspection please telephone 020 7926 0209 or email: bpoulter@lambeth.gov.uk

6. All objections and other representations relating to the proposed Orders must be made in writing and all objections must specify the grounds on which they are made and should be sent to Barbara Poulter, Highways and Enforcement Group (Environment and Growth), London Borough of Lambeth, PO Box 734, Winchester, SO23 5DG, by 9th August 2019 (emails sent to bpoulter@lambeth.gov.uk are acceptable). Any objection may be communicated to, or be seen by, other persons who may have an interest in this matter.

Dated 19th July 2019

Andrew Burton
Assistant Director of Highways, Capital Programmes and
Sustainability
