2. Alternative routes will be available for vehicles affected by the bans described in paragraph 1 above, via adjacent streets as indicated by traffic signs.

3. The bans described above will only apply at such times and to such extent as shall be indicated by the placing of the appropriate traffic signs.

4. The Order will come into force on 6th September 2021 and will continue for a maximum duration of 18 months or until the works have been completed, whichever is the sooner. In practice it is anticipated that the road closure and one-way traffic systems will only apply in phases as the works progress along the roads concerned and it is anticipated that all the works will be done over a 12 to 18 month period. Each street unit will be carried out in short phases of 3 to 5 days and will be coordinated to avoid diversions overlapping.
